## YOUNG SHIP AGENT OR SHIPBROKER OF THE YEAR AWARD 2016

### PURPOSE:

The aim of the Award is to develop professionalism among young people in ship agency and shipbroking and to encourage them to be actively engaged in the industry. A further objective of the Award is to increase FONASBA's academic resources.

### AUTHOR ELIGIBILITY CRITERIA:

The author shall be 40 years of age or under at the time of submission of the paper to the Review Committee and be employed by a company that is a member of a FONASBA Full or Candidate Member association or by an Associate or Club Member.

### PAPER CRITERIA:

The paper should present a comprehensive analysis of the role of the ship agent or shipbroker in a specific field or market sector, alternatively on any other sector of the international maritime industry. It should be written in such a way as to be understood by both professionals in the field as well as general (non-maritime) readers. In order to avoid duplication of subjects covered, and to ensure consistently high standards, the subject of the paper will be agreed between the author and the Review Committee prior to work starting. The author will therefore be invited to submit the title and a short summary of the scope and contents of the work to the Committee for review and comment. The Committee may suggest such changes to the proposal as it feels appropriate to ensure the finished work meets the required standards.

The work itself shall comprise a formal written paper (illustrated if appropriate) to a maximum 10,000, words, excluding the title, indices, footnotes and bibliography. The paper will be written in English and submitted in Times New Roman 12 point font.

The timetable for entering a paper to the Award scheme is provided below.

### OWNERSHIP/PUBLICATION OF ALL PAPERS

Copyright of the paper remains with the author but in entering for the award, the author agrees that the work will be made available to the membership and the public via the website.
