FONASBA ANNUAL MEETING CANCUN 2018

Cancun

Cancun is a city in Quintana Roo Mexico, located beachfront to the Mayan Riviera.

Gateway to visitors to the Mexican Caribbean and the rich Mayan culture.

Built to satisfy the needs of its visitors.

Air Connectivity

The International Airport of Cancun has 3 active commercial terminals.

Mexican airport with the highest number of international visitors.

Just 20 minutes away from the center of Cancun.

Climate

Cancun has a tropical semihumid climate.

October is a typically humid and warm month.

	SEP	OCT	NOV
High °C	33	31	30
Low °C	25	24	23
High °F	91	88	86
Low °F	77	75	73
Precipitation (mm)	270	177	104

Lodging

We are on the final arrangements with the selected hotels.

The price will be between 200 and 250 Euros.

Good facilities for our annual meeting, and are located at 15/20 minutes from the airport.

Tuesday, October 16th	Wednesday, October 17th	Thursday, October 18th	Friday, October 19th	Saturday, October 20th
	Shopping tour (partners)			Tour to the mayan ruins of Tulum (separate registration and additional fee required).
	Welcome reception (delegates, partners and guests)	Xoximilco (delegates, partners, guests).	Gala dinner	

Shopping Tour

Playa del Carmen, has one of the most popular shopping sites in the area.

The *Quinta Avenida* is one of the busiest streets, filled with walkside cafes and shops.

Popular shops stay side by side with souvenirs and handcrafted gifts.

Xoximilco

Night cruise through a beautiful system of water canals on typical mexican *trajineras*.

Experience the traditional mexican cuisine and music on an on-board *fiesta*

Mayan Museum

The Maya Museum in Cancun has one of the most significant archaeological collections of the Mexican Mayan culture.

It shelters important archeological pieces from the Mayan sites of Palenque, Chichén Itzá and Comalcalco, amongst others.

Tulum

Optional guided tour to the walled city of Tulum.

Ancient fortress overlooking the Caribbean Sea, main port of the region during the Mayan reign.

Spectacular views, clear warm beaches and culturally rich structures, paintings and architecture.
