STANDARD DOCUMENT UPDATE: GENERAL AGENCY AGREEMENT, BIMCO/FONASBA WEBINAR

FONASBA associations and their company members are invited to sign up for a free webinar on Thursday 5th April 2018 at 10:00 CEST (18:00 Tokyo) to hear about the recently published FONASBA/BIMCO General Agency Agreement.

Agency appointments are often agreed over the phone or by email, but with ship operations becoming ever more complex, there is a growing need for standard agreements that clearly set out the services to be performed by the agents and the liabilities and responsibilities of both parties. The General Agency Agreement (GAA) is the second such document to be produced by FONASBA and BIMCO and compliments the Agency Appointment Agreement (AAA) issued in early 2017.

A panel will discuss the new agreement and highlight its key benefits for agents and their principals:

John Foord, FICS - FONASBA President

Han van Blanken - BIMCO Documentary Committee member

Luis Bernat - The Danish Shipbrokers' Association

Sign up to watch this free webinar at:

Viewers will be able to put questions to the panel by submitting them in advance to contracts@bimco.org.

For those who are unable to view it live, the webinar will also be available shortly thereafter from the FONASBA website at: www.fonasba.com/documentation

The General Agency Agreement and the Explanatory Notes can be found on the FONASBA website using the link above.
