So what's
holding you
back ??!

So what is holding you back?

- The criteria are not onerous
- The workload on the association secretariat is designed to be minimal
- There is no direct cost involved in complying
- The FQS is the only internationally recognised quality label for ship agents and ship brokers
- It marks your association as committed to supporting your members and embodying the highest ideals of professional maritime practice
- The FQS is fully supported and endorsed by BIMCO and INTERCARGO
- The FQS is increasingly being recognised by ship owners and charterers as a criteria for appointing agents....

**You owe it to your
association, your members,
FONASBA and the wider
maritime community to get
on board!**

Finally.....

**PLEASE MAKE SURE YOU KEEP
H/O UPDATED ON CHANGES AS
SOON AS THEY OCCUR!!!!!!!**
