“INSPIRING OUR FUTURE” COMMITTEE INAUGURAL PLENARY WEBINAR

Wednesday, 9th December 2020, 1.00 pm London time

Moderator:

Raymond Troch, Chair, the Inspiring our Future Committee

Programme:

“Bulkchain: digital collaboration in breakbulk” - What is bulkchain, how can a collaborative data sharing platform help the breakbulk industry become more efficient?

Speaker: Hans De Hondt, sales and marketing manager for the digital solutions at Port+. With more than 20 years of experience in digitization of business processes, Hans helps stakeholders in the maritime supply chain to adapt, innovate, and use data sharing and digital collaboration as the way forward.

“Developing standards and frameworks for container shipping”- A presentation by the Digital Container Shipping Association

Speaker: Dominique Willems, Director, Public Affairs and Government Regulations. DCSA is a neutral, non-profit group founded by major ocean carriers to digitise and standardise the container shipping industry. With the mission of leading the industry towards systematic collaboration, DCSA drives initiatives to make container transportation services transparent, reliable, easy to use, secure and environmentally friendly. DCSA's open source standards are developed based on input from DCSA member carriers, industry stakeholders and technology experts from other industries.
